**GOVERNMENT OF PUDUCHERRY

(G.O. Ms. No. 5/2009/Wel/SW-V, dated 12th April 2010)

NOTIFICATION

Whereas for quite some time it has been under the active consideration of the Government of Puducherry to provide separate reservation to some Most Backward Class (MBC) people, namely Irular, Malaikuravan, Kattunayakan, Yerukula and Kuraman;

2. And whereas this matter was referred to the State Level Commission for Backward Classes, Pondicherry and the State Level Commission for Backward Classes, Puducherry in the 36th Report submitted to the Government of Puducherry on 28-5-2009, enlisted that the total population of Puducherry Union Territory is 9,74,345 as per 2001 Census and out of this, the total population of the abovesaid Most Backward Class people is less than 1% and that eventhough their population is less than 1%, the State Level Commission for Backward Classes has taken into consideration the extreme backwardness in the social, educational and economic fields of these

tribes, of reservation quota so far, their lowest strata in the Society and that they could not compete with the Other Backward Classes and Most Backward Classes, all other kinds of their practical set-backs and the need for providing separate reservation;

3. And whereas the State Level Commission for Backward Classes, Puducherry, therefore, unanimously recommended that the following Most Backward Classes may be declared as "Backward Tribes" and 1% separate reservation may be provided to them, in the following manner :-

"1% reservation quota earmarked for S.T. people shall be added to the total reservation of 33% available now for the Backward Classes and the percentage shall be increased from 33% to 34% and out of the total 34%, one (1%) percentage shall be made available to these Backward Tribes".
